LOS ANGELES COUNTY WATERWORKS DISTRICT NO.40, ANTELOPE VALLEY, ANNEXATION 40-150 (34-42), LOCAL AGENCY FORMATION COMMISSION DESIGNATION 2016-03 NEGOTIATED TAX EXCHANGE RESOLUTION (SUPERVISORIAL DISTRICT 5) (3 VOTES)

SUBJECT

This action is to adopt the Negotiated Property Tax Exchange Joint Resolution associated with the annexation of territory into Los Angeles County Waterworks District No. 40, Antelope Valley.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE COUNTY OF LOS ANGELES AND AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT AND THE WATERWORKS DISTRICT NO. 40, ANTELOPE VALLEY:

1. Find that the adoption of the Negotiated Property Tax Exchange Joint Resolution for Annexation 40-150 (34-42) and the resulting share of the ad valorem tax is for the purpose of meeting the operation, maintenance, and capital project expenses of the Los Angeles County Waterworks District No. 40, Antelope Valley, and therefore is statutorily exempt from the California Environmental Quality Act.
2. Adopt the Joint Resolution approving and accepting the negotiated exchange of property tax revenue resulting from Annexation 40-150 (34-42), Local Agency Formation Commission Designation 2016-03 to the Los Angeles County Waterworks District No. 40, Antelope Valley.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to reapportion the ad valorem tax that is shared by the affected taxing entities as the result of pending Annexation 40-150 (34-42) into the Los Angeles County Waterworks District No. 40, Antelope Valley. The annexation area includes approximately 587± acres of uninhabited territory. The area is located in the western portion of the City of Palmdale, north of Elizabeth Lake Road, south and west of the California Aqueduct, east of 50th Street West and west of 30th Street West. A project is planned for 535 single-family residential dwelling units, 18 lots for open space, landscaping, and drainage facilities. The surrounding area consists primarily of undeveloped land to the west and southwest and residential tracts to the north, east, and south.

Pursuant to Section 99.01 of the Revenue and Taxation Code, in the case of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency receiving property tax revenue from the area must negotiate an exchange of property tax revenue subject to the jurisdictional change and attributable to those local agencies. The governing bodies of the respective taxing entities in the area have adopted the Joint Resolution based on the negotiated exchange of ad valorem property tax revenue related to the proposed annexation to the Waterworks District.

In order for the Local Agency Formation Commission (LAFCO), for the County of Los Angeles, to proceed with the required hearings on the proposed annexation, the Board, as the governing body of the County of Los Angeles and as the governing body of the County of Los Angeles Special Districts, acting on behalf of the Consolidated Fire Protection District of Los Angeles County and the Waterworks District, must also adopt the enclosed Joint Resolution. The Joint Resolution will transfer a portion of the annual property tax increment attributable to the proposed annexation areas from the County of Los Angeles and other taxing entities to the Waterworks District according to the ratios listed in Exhibits A through H. Each of the affected agencies' share of the annual property tax increment will be adjusted accordingly.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness/Fiscal Sustainability (Goal 1) by collecting the applicable tax revenue to provide effective and efficient delivery of water to future customers within the annexed area.

FISCAL IMPACT/FINANCING

The property owner requesting the proposed annexation will pay all required fees associated with this action.

The Joint Resolution will transfer to the Waterworks District a portion of the annual property tax increment from the County General Fund and each of the affected County taxing entities, which include the Consolidated Fire Protection District of Los Angeles County, together with the Antelope Valley Mosquito and Vector Control District, Antelope Valley Resource Conservation District, City of Palmdale, and the Antelope Valley-East Kern Water Agency. The tax sharing ratios listed in Exhibits A through H were calculated using a formula approved by the County of Los Angeles Auditor-Controller and County Counsel. In this instance, revenues to the General Fund from the ad valorem property tax on the affected properties would be reduced in accordance with the table shown on

Exhibits A through H.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 99 of the Revenue and Taxation Code requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service areas or service responsibilities will be altered by such change must negotiate a reallocation of property tax revenue between the affected agencies and approve and accept such reallocation by resolution.

The governing bodies of the respective taxing entities have adopted the Joint Resolution based on the negotiated exchange of property tax revenue related to the proposed annexation to the Waterworks District.

Adoption of the Joint Resolution by the Board will allow LAFCO to schedule the required public hearing to consider testimony on the proposed annexation. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposal. The Joint Resolution has also been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This action and proposed Joint Resolution is to fund operation and maintenance expenses and capital projects within the existing service area of the Waterworks District, and are therefore, statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15273(a) of the CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will allow the Waterworks District to provide water service to the annexed area and will not have any negative impact on existing services or planned projects.

CONCLUSION

Please return one adopted copy of this letter and one signed original of the Joint Resolution to LAFCO; one adopted copy of this letter and one signed original of the Joint Resolution to the County Assessor; and one adopted copy of this letter and one copy of the Joint Resolution to the Department of Public Works, Waterworks Division.

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of Los Angeles County Waterworks District No. 40, Antelope Valley; and the Consolidated Fire Protection District of Los Angeles County; together with the Board of Trustees of the Antelope Valley Mosquito and Vector Control District, the Board of Directors of the Antelope Valley Resource Conservation District, the City Council of the City of Palmdale, and the Board of Directors of the Antelope Valley-East Kern Water Agency, have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Annexation 40-150 (34-42) to Los Angeles County Waterworks District No. 40, Antelope Valley, is as set forth.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. The Los Angeles County Waterworks District No. 40, Antelope Valley; and the Consolidated Fire Protection District of Los Angeles County; together with the Board of Trustees of the Antelope Valley Mosquito and Vector Control District, the Board of Directors of the Antelope Valley Resource Conservation District, the City Council of the City of Palmdale, and the Board of Directors of the Antelope Valley-East Kern Water Agency have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Annexation 40-150 (34-42) is approved and accepted.
2. For fiscal years commencing on or after July 1, 2017, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Annexation 40-150 (34-42) shall be allocated to the affected agencies as indicated in the enclosed worksheets (Exhibits A through H).
3. No transfer of property tax revenues other than those specified in Paragraph 2 shall be made as a result of Annexation 40-150 (34-42).
4. If at any time after the effective date of this Joint Resolution the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated, the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

The foregoing Resolution was adopted on the 1st day of November, 2016, by the Board of Supervisors of the County of Los Angeles as the Governing Body of the County of Los Angeles and as the Governing Body of the Consolidated Fire Protection District, and the Waterworks District No. 40, Antelope Valley.
